November Newsletter 2014

Previous General Meeting

Monday, October 27, 2014

Thomas Amorim, owner of King Tree Service, began to tell us about his experiences that day. This led to an evening filled with various questions from the audience. It is indeed evident that he must return to share more of his expertise with us. It was obvious that Thomas really enjoys his work and has a love of trees! For your information, Thomas is an arborist and a horticulturist. Please feel free to contact Thomas at 905-524-2533 or service@kingtree.ca.

Galt Horticultural Society's Clothing

Come and see our new logo on our clothing!

Would you like to have a piece of clothing with the Galt Horticultural logo on it?

You can do it two ways.

1. Visit Mike at **Instant Imprints** located at 221 Woodlawn Road West, Guelph, Ontario N1H 9P4 unit #B6 519-265-7119.
2. Search the catalogue at our meetings and call Mike or view on line at sanmarcanada.com. You can "shop catalogue" and then "download specs". The "specs" will state colours and sizes available. We have ordered 3 items: T-shirt 2000 (rounded neck), LT 101 (V-neck), and a full zippered hoodie #1860.

Please state that you want the Galt logo and you must pay when you are ordering. Mike will let you know when your order is ready for pick-up. Enjoy!!
